Enclosures: Re. No. 20181/53/Y.1, dated 3.3. 1953

Sir,

FIRST ASST. SECRETARY TO GOVERNMENT
6 MAR 1953
DEVELOPMENT DEPARTMENT

Sub:- Establishment - Temporary - The Bellary Cooperative Milk Supply society Limited - Bellary District - Post of Junior Inspector - Continuance for another ye r - sanction - requested

Ref:-G.O.Ms.No.932 Development dated 7.3.52.

In their order cited, Government sanctioned the retention of the Junior Inspector working in the Bellary Cooperative Milk supply society Limited for a further period of one year from 27.2.52 subject to the condition that 50% of his cost should be recovered from the society. The Bellary Cooperative ~~in~~ Milk supply society has requested that the Junior Inspector may be continued for one more year from 27.2.53, 50% of his cost being met by it. A copy of the resolution of its Board of directors is enclosed.

2. The Special Development Officer, Bellary has stated that the services of a Junior Inspector to work as the Secretary of the society are absolutely necessary. The honorary directors of the society have very little time to manage its affairs. There are no other competent employees under the Junior Inspector Secretary who can be entrusted with the work connected with the administration of the society. Due to the rejection of the tender of the society by the Government headquarters Hospital, the society is faced with the problem of finding sale for the milk purchased from the feeder societies. It is necessary therefore that the Junior Inspector should be retained for some more time. In its present financial condition, the society will not be able to meet more than 50% of his cost. A copy of the tentative balance sheet of the society as on 31.1.53 is enclosed. Though the society has earned a net profit of Rs.1546/15/0 as on 31.1.53, it is sustaining a loss of Rs.52/8/0 p.m. on an avera e from 1.1.53 as it has reduced the margin of profit on the sale of milk from annas 0/3/0 to 0/2/0 per M.M. on the account of the fall in the local market rate for milk. If the full cost of the Junior Inspector is met, the loss would be increased by a further sum of Rs.64/14/1. The society cannot therefore bear the full cost of the Junior Inspector. I request that Government may be pleased to sanction the retention of the Junior Inspector for a further period of one year from 27.2.53 subject to the condition that 50% of his cost is recovered from the society. I am continuing the Junior Inspector in anticipation of Government orders and request that my action may be approved.
